

American Caller's Association

DEFINITION: Starting formation - whenever there is a couple with their backs to the center of the set facing or standing behind another couple. The outside dancers step apart as the center dancers step forward and between them to form a line. In my opinion as long as you have centers and outside dancers you can do a Centers In and Cast Off $\frac{3}{4}$ -6 steps, $\frac{1}{2}$ -4 steps or $\frac{1}{4}$ -2 steps
